If you are applying for coverage, please note that Blue Cross requires binding arbitration to settle all disputes, including claims of medical malpractice. California Health and Safety Code Section 1363.1 and Insurance Code Section 10123.19 required specified disclosures in this regard, including the following notice: 'it is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.' Both parties also agree to give up any right to pursue on a class basis any claim or controversy against the other.

**Statement of Understanding for Area 1 and 2 Non-Network Counties\*** only. I understand the difference between a Participating Dentist and a non-Participating Dentist and would like to apply. I know that I will probably will not be able to use a Participating Dentist and that I will probably pay more for dental care. When I use non-Participating Dentists, I will pay the difference between the limited benefit that the plan pays and the actual charge by the non-Participating Dentist. This means that I may be responsible for a larger portion of my dental bills.

As a convenience to me, I request and authorize YOU to pay and charge to my account checks drawn on that account by and payable to the order of Blue Cross of California (administrator for BC Life & Health Insurance Company) provided there are sufficient collected funds in said account to pay the same upon presentation. I agree that your rights in respect to each such debit shall be the same as if it were a check drawn on you and signed personally by me. This authority is to remain in effect until revoked by me in writing, and until you actually receive such notice. I agree that you shall be fully protected in honoring any such debit. I further agree that if any such debit be dishonored, whether with or without cause and whether intentionally or inadvertently, you shall be under no liability whatsoever even though such dishonor results in forfeiture of insurance.
